After the success of the first two events, the Friction crew are setting their sights high again with the next headliner... Ray Keith! DJ, Producer, Remixer, Record Label Head Honcho and Radio & TV presenter... Ray has been on the dance music circuit for at least 15 years. Born in the heart of Essex (Colchester), Ray started his career in small venues gradually building his name and venturing into bigger clubs around London. After finding his niche within the Drum and Bass music scene in the early 90s he managed to notch up two of the scenes most memorable releases of all time "The Renegade Terrorist" and "The Chopper". Ray set up his record label Dread Recordings in 1994 and hasn't looked back. Now up to it 55th release and a decade later the label is still going strong and has lead to many collaborations with many artists such as Shades Of Rhythm, Moby and Orbital to name a few. Rays musical taste are from Soul, Funk, Hip Hop and even Classical. These styles have always influenced his dextrous style of production, making him one versatile individual.

In addition to Ray Keith, the event is due to showcase performances from Freddy B, Beno, Hektic, Indica, Fibua, MC Toggz and dancers from Ark Angels. The event will also feature an MC battle rather than the standard open microphone.

Friction have one more event planned for the near future with a pre-summer party featuring special guest Miss Represent. The whole team would like to express thanks to the people who have helped to put on these events. Co-promoters Simon Zeslawski an Kieren Le-Mar say "Big up's to everyone who helps make Friction possible and in particular to all the dedicated DNB soldiers!" Guest list entry has been picked at random for 2 people from the pictures of the previous event with Nicky Blackmarket and the lucky winners are Emma Louise Allinson and Anthony Phillips.

Friction runs from 10pm until 2am and costs £5 or £4 with a flyer. Coaches are now running from Truro, Bodmin, Falmouth, Penryn, Liskeard, Camborne, Redruth, Helston and Plymouth. For your local bus details please contact events travel on 07779232854 for more information.
