Disfunktion has been on the circuit on a weekly basis for the last 5 years and describes his style as straight up party tunes although he plays all genres of D&B and feels the dud/liquid sound as well as the jump up mayhem. Disfunktion has performed at hundreds of venues across the UK with regular plays at some of the larger parties to include Steppa sounds (Germany) XS sound (Belgium), Raveology (air nightclub, Birmingham) Detonate (The Bomb, Nottingham), Pressure (Warrick uni, Warrick) Metropolis (valve sound, Leeds), Decibel (52 degrees, Preston) Along with regular appearances at nights all over the UK, he has also gained various residencies around the UK at nights such as Genetic (Leicester), Foul Play (Liverpool), Strictly DnB (Northampton), Bazooka (Wales), Frequency (Northampton), Focus (Nottingham), Rotation (Leicester).
